

Continuing. Providing. Delivering. Performing.

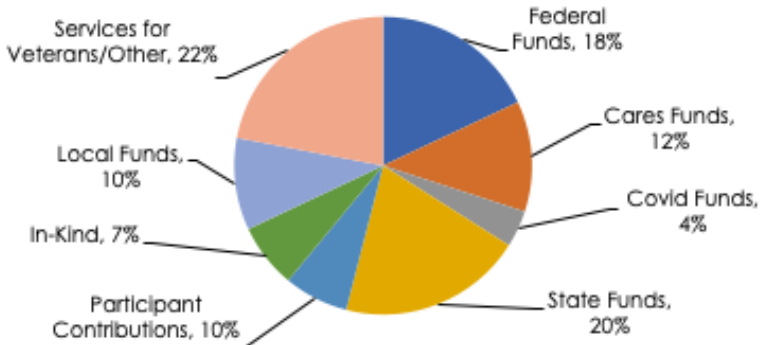

2020. What a year! AgeSmart, with the help of our incredible network and partners, continued to serve older adults. Provided more meals than ever before. Delivered virtual programming. Performed well beyond our yearly goals. AgeSmart Community Resources helps people AGE WELL THEIR WAY.

Expenditures by Service Category

Revenue by Category

More than 500,000 home-delivered meals, 30% more than 2019. 76% of these individuals live alone.

An additional 40,000 FEMA meals and PPE's were delivered.

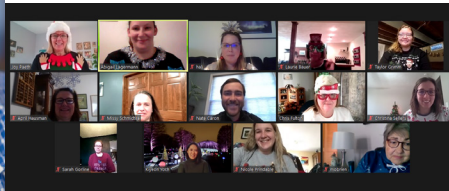

36,197 callers received answers on aging.

Over 3,000 Medicare calls during open enrollment.

The Learning Channel, virtual classes for older adults, was launched with the support of Get Set Up.

3,400 caregivers were assisted with information, respite, and legal services.

120 veterans were assisted to direct their care allowing them to stay in their homes.

Grandparents raising their grandchildren were given resources to help them with their new role as a full-time parent.

To help support programs like these, please log onto www.agesmart.org and click on the donate button.

AgeSmart Community Resources provides services to older adults, caregivers, and veterans. Our vision is that all people embrace their own aging, create and implement a plan for aging, and live in communities that support their efforts to live well.
